

**Meet the Designer Series™ Vessel Sink.**  
The high-gloss white vitreous china bowl paired with a Corian® or Quartz deck brings a sophisticated and contemporary aesthetic to any restroom design.

# Sloan Designer Series™ Sinks

Designed for the high-end contemporary restroom.

Sloan's Designer Series™ sinks have clean lines and simple forms to bring a clean, modern aesthetic to any commercial restroom. Select a standard model or customize your sink to fit the dimensions and look of your project. Complete the look with Sloan's industry-leading, water-efficient sensor-activated faucets and soap dispensers.

# The Full Line of Designer Series™ Sinks

**GRADIENT** A strong, massive presence with a dramatically angled basin.

**WEIR DECK** The basin ascends to the very front edge and includes a stainless steel grate.

**OPEN FRONT** Defy gravity with this stunning, open design.

**COUNTER TOP** Simple. Stark. Classic.

**URBAN PEDESTAL** Stands proudly alone with monumental verticality.

**NEW! VESSEL SINK** An impeccably crafted, modern addition to our Designer Series™ Line that adds sophistication to any restroom design.
